Title: Western Grads - Presentation Winners at the 47th Actuarial Research Conference

Posted by Jennifer Dungavell on October 12, 2012

The Education & Research Section council decided to award prizes for the six best presentations. Two Western grads from the Department of Statistical and Actuarial Sciences were among those six best.

Congratulations to:

- Yu Zhao, supervised by Dr. Jiandong Ren
- Yu Lin, supervised by Dr. Xiaoming Liu
