[TO FIND A TUTOR:](#)

The following list is a compilation of graduate and senior UWO students who offer tutorial services in various disciplines.

Courses/subjects are listed by their Faculty. For example, Statistics falls under Science, History falls under Social Sciences and French belongs to the Faculty of Arts. If you cannot find a tutor listed in your subject, you are encouraged to ask that department's Graduate

Coordinator as  
s/he may be  
compiling a tutor  
list internally. For  
safety's sake  
please arrange to  
meet in a public  
place Please  
Note: Western  
Libraries do not  
permit tutoring for  
profit on their  
premises. The  
fees you negotiate  
can range from  
\$15 to \$25 per  
hour. Some tutors  
will issue a  
receipt.
